Dawn &  
Motion  
Sensor**

## FIXTURES 3-in-1 LED Nitelite

Greenlite's energy saving 3-in-1 LED nite lite increases home safety and security. It automatically turns on at night and off in the day and detects motion. This nite lite is rechargeable and can be used as a nite lite, flashlight or an emergency light. Just plug & play into any standard outlets. Perfect for kids' rooms, bedrooms, bathrooms, and hallways.
