

## **FIXTURES** Plug & Play LED Desklamp

**Spend more time studying and less on changing bulbs.**

These low wattage, energy-saving, LED desk lamps do not require bulbs, so no bulbs to replace ever! Our 5000K wellness desklamp will help to maintain wellness, reduce eye strain, increase productivity and mood-boosting benefits. The flexible neck bends into place and holds, for direct light just where you need it. Available in black or white.
